# Mechanical and Electrical Maintenance Engineers

**Cambridge and Chelmsford**

---

## **Role Description**

Due to our ever increasing work load we are currently looking to recruit full time permanent mobile mechanical and electrical maintenance/ small works engineers.

This is a mobile role working in a wide range of commercial buildings carrying out planned and reactive maintenance to HVCA plant and associated services.

## **Minimum requirements :-**

NVQ level 3 in a building services related discipline.

## **Desirable Qualifications/Certifications:-**

F-gas certification  
Electrical testing and inspection  
Commercial gas safe training

You will be required to be DBS vetted for this position

This is an excellent opportunity to join a fast-paced and very established Building Services contractor. Please return the application form available on our website under the careers section, enclosing your CV and send via email to [recruitment@munroservices.co.uk](mailto:recruitment@munroservices.co.uk)
