
Maintenance Gas Engineer

Chelmsford Based

Salary - £34,000 - £38,000 (Depending on Experience)

Role Description

The Chelmsford Maintenance Division are currently looking to recruit a service engineer to work in a mobile capacity within the Essex, London, Hertfordshire and Cambridgeshire areas.

The successful engineer will be able to communicate effectively with our clients, have excellent knowledge of commercial and domestic heating systems and have had a minimum 3 years' experience working in a similar role involving PPM works, reactive fault finding and installations. This is an exciting opportunity to join a thriving business that is growing within the current climate.

Minimum Requirements

- NVQ Level 2 in Plumbing / HVAC related qualification
- Commercial Gas Qualifications
- Domestic Gas Qualifications
- Able to use a mobile tablet to complete worksheet reports / send and receive emails

Desirable Qualifications

- FGAS
- Electrical Qualifications
- PASMA
- IPAF
- OFTEC

As well as a competitive salary, you will also receive the following;

- Company Vehicle (Usually a ford Transit Custom – Not to be used privately)
- Fuel Card
- 23 Days Annual Leave + Bank Holidays
- Enrollment into company pension
- Company tools (Combi Drill / SDS Drill/ Wet Vac / Ladders etc)
- Company Uniform and PPE
- Travel time is not paid as door to door but an element of travel can be paid at a managers discretion
- Included in the on call rota - £140.00 retainer for the week. Currently 1 week in 6

This is an excellent opportunity to join a fast-paced and very established Building Services contractor. Please return the application form available on our website under the careers section, enclosing your CV and send via email to recruitment@munroservices.co.uk
